## How to Vote with Verity

1

### Check-in

Voters check in, using your jurisdiction's typical procedures

2

### Receive ballot

Poll workers use Verity Ballot to print ballots on-demand; or Poll Workers escort voters with disabilities to Verity Touch Writer, the ballot marking device

3

### Mark ballot

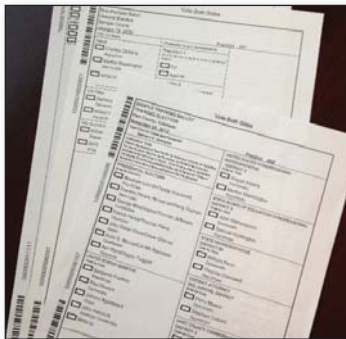

Non-disabled voters hand-mark paper ballots

Disabled voters mark votes on the electronic display; Touch Writer prints a marked ballot

4

### Cast ballot

All voters cast ballots on Verity Scan
